Re: School Parking Lot Safety

Dear Parents,

Last week there was an incidence of unsafe driving in the school parking lot. While the vast majority of parents driving their children to our school exercise extreme diligence, some parents, in their rush to get to work in the morning, exhibit unsafe driving by cutting in front of other vehicles and speeding on their way out.

We urge all parents to exercise extreme caution while dropping off and picking up their children. Our children are our most precious commodities, and their safety is our number one concern.

We also ask all parents to be vigilant and to report any incidences of unsafe driving to the school administration. Thank you for your understanding and cooperation in this matter.

Sincerely,

Dyana Kezelian
